TASKSTREAM DIRECTIONS FOR TED 6020:

Write a research proposal which includes:

a. Statement of Problem and Purpose (The purpose of this study will be to. . .)
b. Review of the Literature (Identify Subtopics, Use 15-20 Research Articles)
c. Method (Participants, Materials, Procedures)
d. Data Analysis (Proposed Analysis of Data)

Maximum 20-25 page paper

Utilize the Parts of the Paper distributed (via Blackboard or in person) discussed in class to ensure you have included necessary formatting and sections.
