TED 6250 Mini-Literature Review Instructions

Directions: Mini-Literature Review (40 points) Select a literacy topic of interest and write a 4-8 page mini-literature review including the following: **Base your work on the grading rubric.**

- Develop a research question about a literacy topic that you might want to investigate in your own classroom (be very specific)
- Read four or more peer-reviewed research studies about the topic (four different authors)
- Summarize each article, focusing on important findings related to your topic
- Write a review/synthesis of the research
- Point out the need for your proposed study
- Use APA formatting for your paper
